SUBMISSION OF SEQUENCE STATEMENT

Sir:

This is in response to the Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures. The Notice states that the computer readable form that was filed with this application was found to be damaged. Attached please find a substitute diskette to replace the damaged diskette.

The substitute diskette contains no new matter. The contents of the substitute diskette and the paper copy of the Sequence Listing are the same.

Respectfully submitted,
